

## ***DERBY CAR REGISTRATION DUTIES AND RULES***

1. Verify that the car has appropriate stamp on the bottom of the car. (It should be near one of the axles.)
2. Place the car in the car box to verify its size. Make sure the car clears the tongue in car box or it will not run on the track. Black or white wheels are acceptable. Modification of wheels is **NOT** acceptable. No slab cars allowed!
3. Weigh car on the scale. (Wheels up makes it easier.)  
**CAR SHALL BE 5.0 OZ. MAXIMUM.**
4. Sign in child on the registration sheet. Write neatly so others can read it.
5. Apply sticker with number corresponding to number child signed in under on registration sheet to the front of the car. If not sure which is the front of the car, **ask!**
6. Hand car to a runner to place on the table.
7. Mark number of child's car on top of their hand for later referral. Have the child and parent pick up their beads and patches.
