A program for Parents & Sons and Parents & Daughters (Grades AK – 3rd)

The YMCA Adventure Guides is a program designed for parents and their children (AK – 3rd grade) to spend constructive, quality time together. By joining a unique “Circle” of parents and children with whom you’ll participate in activities like games, camping trips, ceremonies and family adventures you and your child will take a journey of discovery and learning together.

This program helps:

- ❖ builds a sense of self-esteem and personal worth
- ❖ expands awareness of spirit, mind and body
- ❖ provides the framework to meet a mutual need of spending enjoyable, constructive and high-quality time together
- ❖ enhances the quality of family time
